STORY

Johnny's Jr and AKB48, the dream combination finally brings the explosive school drama to the big screen!

Bakada High School is the worst possible delinquent high school filled with boys who are not academically gifted but unboundedly enthusiastic and straightforward.

Cattleya No.1 High School on the other hand is the best well-off girls' school with academic excellence as well as best looks.

Cattleya No.1 is brought to Bakada for a merger of these completely incompatible schools to create Cattleya No. 2 High School, also known as Bakaleya High School, and a major event erupts in this unprecedented school drama!

Youthful entertainment is brought to the screen by the all-star cast!!
