## STORY

Mr. Noda, working for a museum, recently returned to his hometown to oversee the Jomon historical items. He has been holding a secret since his schooldays here, and has never told anyone. The secret is regarding a “time capsule”.

30years later, Ayako, who used to be Noda’s homeroom teacher, is confined to bed at a nursing home. The timing of the demolition of the closed school was to start around the time the ginkgo leaves fall.

As the demolition of his school draws closer, Mr.Noda starts to speak about his secret.
