STORY

Budori was living happily with his parents and a younger sister, Neri, in the beautiful forest of Ihatobu, but cold weather damage causes food shortages in the forest. His parents leave the forest, and the sister Neri is taken by a mysterious man named Kotori, leaving Budori all alone. Budori then comes to Ihatobu city, where he meets Doctor Kubo, and through his contact, Budori finds employment in Ihatobe Volcano Department. However, the forest is hit by a cold weather snap once again. Dr. Kubo's advice inspires Budori that there must be something which he can do, and he makes a decision for his beloved hometown and people.
