## STORY

Ryota wakes up and finds himself on a remote tropical island. Without remembering exactly what has happened, Ryota wanders around and finds someone in the distance. The person, however, runs up to him and throws a "BIM" bomb at him, causing an ear-splitting noise and burning hot air. Ryota realizes his situation resembles to "BTOOOM!", the world of his favorite online game. Ryota and others who have been brought to the island are forced to fight the real version of "BTOOOM!"

A desperate survival game unfolds on a remote island!
