STORY

In the Taisho era after the Meiji Restoration, Japan was absorbing Western culture and making a great leap forward. Zaibatsu conglomerates were expanding business during this glamorous time, and the Miyanomori Family was one of the more flamboyant ones.

Haru, a daughter from a deprived background, is hired as a new maid at the Miyanomori household. Haru is at the mercy of the six characteristic offspring of the family and their entourage. While confused about everything, Haru tries her best to get through despite a series of mistakes.
