## STORY

Devil King was one step away from conquering the world when he is beaten by Hero and forced to drift to the other world - modern-day Sasazuka in Tokyo.

What Devil King can do in Japan is "conquering the world", of course!! However, he must work as a part-timer at a fast food shop to earn his living expenses!

In the meantime, Hero Emilia who has also traveled following Devil King is battling the Japanese economy as a tele-marketer.

The two finally meet head to head in Tokyo!!
