STORY

A high school student Subaru takes on the position to be a supply coach for a girls' basketball club at Keishin Gakuen. Three months later, Subaru feels fulfilled as the girls improve day by day. Then a beautiful French girl, Mimi, comes into the scene. "Let's have a match", she declares.

Mimi is in the 5th grade and also plays basketball. Mimi transfers to their school and forms a basketball team with the girls in the same year group so that she can have a fair match against Tomoka. This is a roaring sports comedy about one high school boy, elementary school girls and their passion for basket ball.
