"I demand your absolute obedience!"

The most powerful and sadistic boy in the history of love stories descends on her world!

Unlike many popular girl manga, some of the seductive scenes that were thought to be too difficult to adapt to screen are shown, frustration with love that does not go as you wish, and fond emotions that can't easily be stopped are portrayed in this seductive and twinging love story. This winter, the most devilish and sadistic boy in the history of love stories descends on her world!
